- **In Progress (Test is still in progress or not yet done)**
- **Open (Not yet tested)**

MODULE	NO.	TESTCASE	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
Sign In Module							
	1	Sign in page					
			Check if the Sign in page opens: open https://risha-pets.onrender.com in the browser	The Sign in page opens with the Username and Password fields, the eye icon, "Keep me signed in", the "Sign in" button and "Forgot your password?"			
			Check if the password can be shown and hidden: type a password, click the eye icon in the Password field, then click it again	The password is shown as plain text and the eye icon changes to a crossed-out eye. Clicking it again hides the password as dots and the open eye returns			
	2	Wrong sign in					
			Check if the username is empty: leave Username empty, then click the "Sign in" button	A small note "Please fill out this field." appears on Username. The Sign in page stays open			
			Check if the password is wrong: enter the username with a wrong password, then click the "Sign in" button	"Invalid username or password" appears. The Sign in page stays open			
			Check if sign-in stops after too many tries: enter a username that has no account, with any password, 6 times	After the 5th try, "Too many login attempts. Try again in (seconds)s." appears and sign-in is refused for that username			
	3	Forgot password					
			Check if the reset needs a username: leave Username empty, then click "Forgot your password?"	"Enter your username first." appears above Username. The reset box does not open			
			Check if the reset box opens: type the username, then click "Forgot your password?"	The "Reset your password" box opens with the username filled in and the "Ask for a reset" and "Cancel" buttons			
			Check if the reset can be cancelled: click "Cancel"	The box closes. The Sign in page shows again			
			Check if the reset box needs a username: click "Forgot your password?" again, clear the "Username or email" box, then click "Ask for a	A small note "Please fill out this field." appears. Nothing is sent			

MODULE	NO.	TESTCASE	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
			reset"				
			Check if a reset can be asked for: type the username again, then click "Ask for a reset"	"Request sent. If the account exists, the reset email will follow." appears			
			Check if the reset email arrives: open the email inbox of the account	An Administrator gets the reset email right away. A Cashier or Supplier gets it after the Administrator clicks "Approve and email link" in Users			
			Check if the reset link opens: click the link in the reset email	The "Choose a new password" page opens with New password and Confirm password			
			Check if the new password has no number: enter a new password without a number, then click "Save new password"	"Password must contain at least one number (0–9)" appears. The password does not change			
			Check if the two passwords do not match: enter a different password in Confirm password, then click "Save new password"	"Passwords do not match." appears. The password does not change			
			Check if a valid new password is saved: enter and confirm a new password with an uppercase letter, a lowercase letter, a number and a special character, then click "Save new password"	"Password has been reset. You can now sign in." appears, then the Sign in page opens			
			Check if the reset link was already used: click the same link in the reset email again	"This reset link is invalid or has expired. Please request a new one." appears			
	4	Email confirmation					
			Check if a new account's email is confirmed: open the confirmation link sent to a new account's email	The page says the address is confirmed and the account can now sign in			
	5	Sign in					
			Check if a valid account can sign in: enter the username and the password, tick "Keep me signed in", then click the "Sign in" button	Goes to the Supplier Portal, the Supplier's home page			
			Check if "Keep me signed in" keeps the session: close the browser, then open https://risha-pets.onrender.com again	The user is still signed in and goes straight to the home page			
Supplier Portal Module							
	1	Open orders					
			Check if the Supplier Portal opens: look at the Supplier Portal	The Supplier Portal appears with the figures Orders waiting for you, On the way, Waiting to be paid and Running low at the shop			
			Check if the sidebar shows only the Supplier's page: look at the sidebar	The sidebar shows only "Orders and products", then the user's name with the role "Supplier", the			

MODULE	NO.	TESTCASE	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
				Settings icon, the theme icon and the Logout icon. The shop's pages and the Notifications bell are not shown			
			Check if only this supplier's orders are listed: look at Open orders	Only this supplier's waiting, confirmed and shipped orders are listed			
	2	Confirm an order					
			Check if the delivery date is empty: click "Confirm order", leave the delivery date empty, then click the "Confirm order" button	"Choose the date you will deliver" appears			
			Check if the delivery date is in the past: click "Confirm order" and enter a delivery date in the past	"The delivery date cannot be in the past." appears			
			Check if an order is confirmed: click "Confirm order" on a waiting order, choose the delivery date, then click the "Confirm order" button	"Order confirmed." appears			
			Check if confirming can be cancelled: click "Confirm order", then the "Cancel" button	The window closes. The order is still waiting			
	3	Ship an order					
			Check if the receipt number has * or @: click "Mark as shipped" and enter a receipt number with * or @	"The receipt number can use letters, numbers, spaces and . / # _ - only." appears			
			Check if an order is marked shipped: click "Mark as shipped", enter the delivery receipt number, then click the "Mark as shipped" button	"Order marked as shipped." appears			
			Check if shipping can be cancelled: click "Mark as shipped", then the "Cancel" button	The window closes. The order is still confirmed			
	4	Delivery date					
			Check if the delivery date is changed: click "Change delivery date", choose the new date, enter the reason, then click "Save new date"	"Delivery date updated." appears			
			Check if the window closes: click "Change delivery date", then the × (Close) button	The window closes. The delivery date stays the same			
			Check if the reason is empty: click "Change delivery date", choose the new date, leave the reason empty, then click "Save new date"	"Say briefly why the date changed" appears			
	5	Notes					
			Check if a note is sent: click "Notes" on an order, type a note, then click "Send"	The note is added for the shop to read			
	6	Offer an order					

MODULE	NO.	TESTCASE	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
			Check if an offer is sent: click the "Offer an order" button, enter the quantities and the date, then click "Send offer"	"Offer sent. It becomes an order if the shop accepts it." appears			
			Check if the offer can be cancelled: click "Offer an order", then the "Cancel" button	The window closes. No offer is sent			
			Check if the offer has no quantity: click "Offer an order" without entering any quantity, then click "Send offer"	"Enter a quantity for at least one product" appears			
	7	Payments					
			Check if unpaid deliveries are listed: look at Payments	The delivered orders the shop has not yet marked as paid are listed			
	8	Products and prices					
			Check if only this supplier's products are listed: look at Products you supply	Only this supplier's products are listed, with the stock at the shop, reorder level, status, what the shop expects to sell in the next 30 days and your price			
			Check if a price change is sent: click "Change price" on a product, enter the new price, then click "Send to the shop"	"Sent to the shop for approval. The current price stays until they agree." appears			
			Check if the price change can be cancelled: click "Change price", then the "Cancel" button	The window closes. The price stays the same			
			Check if the price is 0: click "Change price", enter 0, then click "Send to the shop"	"Enter a price greater than zero" appears			
			Check if the price is the current one: click "Change price", enter the current price, then click "Send to the shop"	"That is already the current price." appears			
	9	Rating and past orders					
			Check if the star rating is shown: look at How you are doing	The star rating out of 5 appears, with whether it meets the standard (4 stars or more) and the figure for each condition			
			Check if past orders are listed: look at Past orders	This supplier's received and cancelled orders are listed			
	10	Contact details					
			Check if the contact details are saved: click the "Edit contact details" button, change them, then click "Save details"	"Your details were updated." appears			
			Check if the update can be cancelled: click "Edit contact details", then the "Cancel" button	The window closes. The details stay the same			
			Check if the phone number has letters: click "Edit	"Enter a phone number using digits, spaces and + ( )			

MODULE	NO.	TESTCASE	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
			contact details", enter a phone number with letters, then click "Save details"	- only." appears			
	11	Settings					
			Check if the Profile tab opens: click the Settings (gear) icon	The Profile tab appears with the supplier account's own name and email			
			Check if the portal opens again: click "Orders and products" in the sidebar	Returns to the Supplier Portal			
Logout Module							
	1	Logout					
			Check if logout asks first: click the Logout icon in the sidebar	The confirmation box "Are you sure you want to logout?" appears			
			Check if the user is logged out: click the "Yes, Logout" button	Goes to the Sign in page with the Username and Password fields empty			
			Check if logout can be cancelled: click the Logout icon, then the "Cancel" button	The confirmation box closes. The supplier stays on the same page
