Module	TESTCASE	T.S ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
CASHIER							
SIGN IN							
	Authentication						
		1	Open FETCH in the browser by going to https://risha-pets.onrender.com	The Sign in page opens with the Username and Password fields and the Sign in button			
		2	Type the username and password, then click the eye icon at the right of the Password field twice	The password is shown as text, then hidden again in dot characters			
		3	Click the Sign in button	The Point of sale opens. The sidebar is on the left side, and the account picture is at its lower-left			
		4	Click Forgot your password? below the Sign in button	The Reset your password window opens. The username is already filled in if it was typed on the Sign in page			
		5	Type the username or email, then click Ask for a reset	A message says that the request is sent to an administrator for approval			
		6	After an administrator approves the request, open the reset link sent to the email	The Choose a new password page opens			
		7	Type the new password in both fields (example: Risha@2026), then click Save new password	"Password has been reset" is shown, then the page goes back to Sign in			
POINT OF SALE							
	Starting cash						
		1	Sign in as Cashier at the start of the day	The Starting cash window opens and asks for the cash in the drawer			
		2	Enter the cash in the drawer (example: 500), then click Save starting cash	"Starting cash saved: ₱500.00" is shown at the top of the screen			
	Product search						

Module	TESTCASE	T.S ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
		1	Scan a product's barcode, or type it in the Scan barcode box at the upper-left, then press Enter	The product is added to the Current sale on the right side			
		2	Type a product name in the Search products box (example: Aozi)	Only the matching products are shown in the product list			
	Current sale						
		1	Click a product in the list, or its Add button	"(product) added to cart" is shown and the product is listed in the Current sale			
		2	In the Current sale, click the + button of the item, then the − button	The quantity goes up by one, then down by one, and the total changes with it			
		3	Enter a discount in the Discount box (example: 5%)	The discount amount is computed and the total goes down			
	Payment						
		1	Under Cash received, click Exact, then +100	The cash received is filled in and the change is computed and shown			
		2	Click the yellow Charge button at the lower- right	A question shows the items, total, cash received and change for a final check			
		3	Click Complete sale	"Sale completed!" is shown with the change, the stock goes down and the receipt prints			
	My sales today						
		1	Click the My sales today button at the top of the page	A window lists the cashier's sales for today with the time, customer and total			
		2	Click Ask for void on a sale, type what went wrong, then click Send request	"Sent to a manager" is shown and the administrator sees the request			
	Cash in and out						
		1	Click the Cash in / out button at the top of the page	The cash in or out window opens			
		2	Choose Taken out, enter the amount and who took it and why, then click Record cash taken out	A question asks to confirm the cash taken out			
		3	Click Record it	"Recorded" is shown and the amount, time and reason are listed under Today			
	End of day						
		1	Click the End of day button at the top of the page	The cash count window opens with the starting cash and today's cash sales			
		2	Enter the cash counted in the drawer, then click Save count and close drawer	A question asks to close the drawer for the day			
		3	Click Close the drawer	The count is saved with "Balanced", "Over by" or "Short by", and no more sales can be made today			
SETTINGS							

Module	TESTCASE	T.S ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
	Profile						
		1	Click the account picture at the lower-left of the sidebar	The Settings page opens on the Profile tab with the cashier's name and email			
	Password						
		1	Click the Password tab, enter the current password and the new password twice, then click Update password	"Password changed" is shown			
LOGOUT							
	Sign out						
		1	Click the logout icon at the lower-left corner of the sidebar	A question asks "Are you sure you want to logout?"			
		2	Click Yes, Logout	The user is signed out and the Sign in page opens
