| AUTHENTICATION MODULE | | | | | | | |
| | Sign in | | | | | | |
| | | 1 | Open FETCH in the browser by going to https://risha-pets.onrender.com | The **Sign in** page opens with the **Username** and **Password** fields, the **Keep me signed in** box and the **Sign in** button | | | |
| | | 2 | Type a valid username and a valid password, then click the eye icon at the right of the **Password** field twice | The password is shown as text, then hidden again in dot characters | | | |
| | | 3 | Tick the **Keep me signed in** box below the **Password** field | The box is ticked, and the note below it says the account stays signed in on this browser for 7 days | | | |
| | | 4 | Click the **Sign in** button | The **Supplier portal** opens. The sidebar is on the left side, and the account picture is at its lower-left | | | |
| | | 5 | Close the browser, then open https://risha-pets.onrender.com again | The **Supplier portal** opens right away without asking to sign in again | | | |
| | | 6 | On the **Sign in** page, if you forgot your password, click **Forgot your password?** below the **Sign in** button | The **Reset your password** window opens. The username is already filled in if it was typed on the **Sign in** page | | | |
| | | 7 | Type a valid username or a valid email, then click **Ask for a reset** | A message says that the request is sent to an administrator for approval | | | |
| | | 8 | After an administrator approves the request, open the reset link sent to the email | The **Choose a new password** page opens | | | |
| | | 9 | Type a valid new password in both fields (example: Risha@2026), then click **Save new password** | "Password has been reset" is shown, then the page goes back to **Sign in** | | | |
