SUPPLIER							
AUTHENTICATION MODULE							
	Sign in						
		1	Open FETCH in the browser by going to https://risha-pets.onrender.com	The **Sign in** page opens with the **Username** and **Password** fields, the **Keep me signed in** box and the **Sign in** button			
		2	Type a valid username and a valid password, then click the eye icon at the right of the **Password** field twice	The eye icon shows once something is typed. The password is shown as text, then hidden again in dot characters			
		3	Tick the **Keep me signed in** box below the **Password** field	The box is ticked, and the note below it says the account stays signed in on this browser for 7 days			
		4	Click the **Sign in** button	The **Supplier portal** opens. The sidebar is on the left side, and the account picture is at its lower-left			
		5	Close the browser, then open https://risha-pets.onrender.com again	The **Supplier portal** opens right away without asking to sign in again			
		6	On the **Sign in** page, if you forgot your password, click **Forgot your password?** below the **Sign in** button	The **Reset your password** window opens. The username is already filled in if it was typed on the **Sign in** page			
		7	Type a valid username or a valid email, then click **Ask for a reset**	A message says that the request is sent to an administrator for approval			
		8	After an administrator approves the request, open the reset link sent to the email	The **Choose a new password** page opens			
		9	Type a valid new password in both fields (example: Risha@2026), then click **Save new password**	"Password has been reset" is shown, then the page goes back to **Sign in**

SUPPLIER PORTAL MODULE							
	Portal overview						
		1	Sign in as Supplier using a valid username and a valid password	The **Supplier portal** opens with **Waiting for you**, **To ship**, **On the way** and **Your rating** at the top, and the tabs below them			
		2	Look at the **Open orders** tab	Only the supplier's own orders are shown, each with its progress and next step			
	Order offer						
		1	Click the **Offer an order** button at the upper-right of **Open orders**	The **Offer an order** window opens with the supplier's products. The ones running low at the shop are filled in			
		2	Enter a quantity not greater than 10,000, choose a date not greater than a year in **Date you could deliver**, then click **Send offer**	"Offer sent. It becomes an order if the shop accepts it." is shown, and the offer is listed as waiting for the shop			
	Order confirmation						
		1	Click the **Confirm order** button on an order waiting for confirmation	A window asks for the **Date you will deliver** and **How many of each you can send**			
		2	Choose the delivery date, check the quantities, then click **Confirm order**	"Order confirmed." is shown and the order is marked confirmed			
	Shipping						
		1	Click the **Mark as shipped** button on a confirmed order	A window asks for the delivery receipt or invoice number			
		2	Enter the receipt number (example: DR-10452), then click **Mark as shipped**	"Order marked as shipped." is shown and the order is marked **Shipped**			
	Delivery date						
		1	Click **Change delivery date** on an order, choose the new date, type the reason in **Why it changed**, then click **Save new date**	"Delivery date updated." is shown with the new date			
	Order notes						
		1	Click **Notes** on an order, type a note, then click **Send**	The note is added under the order and the shop can read it			

Module	TESTCASE	ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
	Payments						
		1	Click the **Payments** tab	The delivered orders that the shop has not paid yet are listed with the amount and due date, together with the supplier's payment terms			
	Price changes						
		1	Click the **Products** tab	The products the supplier supplies are listed with the shop's stock, reorder level, status, expected sales for the next 30 days and the price			
		2	Click **Change price** at the right of a product	The **Propose a new price** window opens with the current price			
		3	Enter the new price in **New price (₱)** and the reason, then click **Send to the shop**	"Sent to the shop for approval. The current price stays until they agree." is shown			
	Supplier rating						
		1	Click the **Rating** tab	**How you are doing** shows the supplier's star rating out of 5 and the conditions behind it			
	Past orders						
		1	Click the **Past orders** tab	The orders already received or cancelled are listed with the items, status and total			
SETTINGS MODULE							
	Profile						
		1	Click the account picture at the lower-left of the sidebar	The **Settings** page opens on the **Profile** tab with the supplier's name and email			
		2	Click **Upload photo**, then choose a picture from the computer	"Profile photo updated" is shown and the picture appears at the lower-left of the sidebar			
	Password						
		1	Click the **Password** tab, enter the valid current password and a valid new password twice, then click **Update password**	"Password changed" is shown			
LOGOUT MODULE							
	Sign out						
		1	Click the logout icon at the lower-left corner of the sidebar	A question asks "Are you sure you want to logout?"			
		2	Click **Log out**	The user is signed out and the **Sign in** page opens
