Module	TESTCASE	T.S ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
SUPPLIER							
SIGN IN							
	Authentication						
		1	Open FETCH in the browser by going to https://risha-pets.onrender.com	The Sign in page opens with the Username and Password fields and the Sign in button			
		2	Type the username and password, then click the eye icon at the right of the Password field twice	The password is shown as text, then hidden again in dot characters			
		3	Click the Sign in button	The Supplier portal opens. The slim sidebar is on the left, and the account picture is at its lower-left			
		4	Click Forgot your password? below the Sign in button	The Reset your password window opens. The username is already filled in if it was typed on the Sign in page			
		5	Type the username or email, then click Ask for a reset	A message says that the request is sent to an administrator for approval			
		6	After an administrator approves the request, open the reset link sent to the email	The Choose a new password page opens			
		7	Type the new password in both fields (example: Risha@2026), then click Save new password	"Password has been reset" is shown, then the page goes back to Sign in			
SIDEBAR							
	Hide and show the menu						
		1	Click the Risha logo at the upper-left of the sidebar	The sidebar opens and shows "Orders and products" beside its icon			
		2	Click the logo again	The sidebar goes back to the slim strip, showing only the icon			

Module	TESTCASE	T.S ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
	Light and dark mode						
		1	Click the moon icon at the lower-left of the sidebar	The screen turns dark and the moon icon becomes a sun			
		2	Click the sun icon	The screen turns light again and the moon icon comes back			
SUPPLIER PORTAL							
	Portal overview						
		1	Sign in as Supplier and look at the top of the portal	Four figures are shown: Waiting for you (to confirm), To ship, On the way and Your rating, then the tabs Open orders, Payments, Products, Rating, Past orders and My details			
		2	Look at the numbers on the tabs	Each says what it counts: Open orders shows the orders that need you (example: 3 to do), Payments the unpaid ones (example: 1 unpaid) and Products those running low at the shop (example: 5 low)			
	Order offer						
		1	On the Open orders tab, click the Offer an order button at the upper-right	The Offer an order window opens with the supplier's products			
		2	Enter the quantity to offer and the delivery date, then click Send offer	A message says the offer was sent, and it is listed as waiting for the shop			
	Order confirmation						
		1	Click the red Confirm order button on an order waiting for confirmation	A window asks for the delivery date and the quantities to send			
		2	Choose the delivery date, check the quantities, then click Confirm order	"Order confirmed." is shown and the order's progress line ticks Confirmed			
	Shipping						
		1	Click the red Mark as shipped button on a confirmed order	A window asks for the delivery receipt number			
		2	Enter the receipt number (example: DR-10452), then click Mark as shipped	"Order marked as shipped." is shown and the order's progress line ticks Shipped			
	Delivery date						
		1	Click Change delivery date, choose the new date, type the reason, then click Save new date	"Delivery date updated." is shown with the new date			
	Order notes						
		1	Click Notes on an order, type a note, then click Send	The Send button reads "Sending…" until the note is saved, then the note is listed under the order and the shop can read it			
	Payments						

Module	TESTCASE	T.S ID	DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	COMMENT	STATUS
		1	Click the Payments tab	The delivered orders that the shop has not paid yet are listed with the amount and due date			
	Products and prices						
		1	Click the Products tab	The products supplied are listed 10 at a time, those the shop is shortest of first			
		2	Click Show 10 more below the list	Ten more products are listed, and Show less appears			
		3	Under Products you supply, click Change price on a product	The Propose a new price window opens with the current price			
		4	Enter the new price and the reason, then click Send to the shop	"Sent to the shop for approval. The current price stays until they agree." is shown			
	Supplier rating						
		1	Click the Rating tab	The supplier's star rating out of 5 and the conditions behind it are shown			
	Past orders						
		1	Click the Past orders tab	The received and cancelled orders are listed with their items and totals			
	Contact details						
		1	Click the My details tab, then Edit contact details, change the phone number, then click Save details	"Your details were updated." is shown			
SETTINGS							
	Profile						
		1	Click the account picture at the lower-left of the sidebar	The Settings page opens on the Profile tab with the supplier's name and email			
	Password						
		1	Click the Password tab, enter the current password and the new password twice, then click Update password	"Password changed" is shown			
LOGOUT							
	Sign out						
		1	Click the logout icon at the lower-left corner of the sidebar	A question asks "Are you sure you want to logout?"			
		2	Click Yes, Logout	The user is signed out and the Sign in page opens
